

Product Name :
Angle Bracket Pack

Product Code :
NELAB-21-A12005

Description :

Angle Bracket Pack

Technical Specification :

Angle brackets are great for joining link strips at right angles, whether to a plastic base plate or within the structure itself.

They can easily be cut to size with a junior hacksaw.

Brackets can be cut to size and used to fix components at right angles.

Pack contains 10 brackets, 75mm long with 5 holes per length.
