

Product Name : BP Machine Aneroid Wall Mounted	Product Code : HMEDLAB-DINOS-10009
 The image shows a wall-mounted aneroid blood pressure monitor. It features a square blue face with a white circular gauge. The gauge has two scales: an outer scale for systolic pressure ranging from 0 to 280 mmHg in increments of 20, and an inner scale for diastolic pressure ranging from 0 to 160 mmHg in increments of 20. A black rubber bulb with a coiled black tube is attached to the right side of the device. A black fabric cuff is visible at the top. A large, semi-transparent blue watermark with the word 'NAUGRA' and a registered trademark symbol is overlaid across the center of the image.	
Description : BP Machine Aneroid Wall Mounted
