

Product Name :
CNC Lathe Trainer - Stepper

Product Code :
NE-CNC-LAT27

Description :

CNC Lathe Trainer - Stepper

Technical Specification :

CNC Lathe Trainer - Stepper.

CLT 100 is based on stepper motors and stepper drives. This is our highest selling model in Indian subcontinent. Rigid design and PLC based technology gives this machine a technological advantage over its competitors.

Complete independence from computer (No I/O card used) prevents this machine from any issues related with electrical supply (Noise and Spikes). Down time of PLC based machines is 90% less as compared to other computer (I/O Card) based machines.

Also, machines to be operated remotely. Hence problem detection and eventual solution can be attained within minutes.

Specifications:

Bed / 45 Degrees Slant
Keyboard Type / Standard
Chuck Size
Hydraulic Manual
Maximum Turning Diameter
Maximum Turning Length
Center Height
Slingover Cross Slide
Slingover Bed
Distance between Centre
Country of Origin - United Kingdom
Control System
Operating Software
Positioning
Repeatability
Resolution
Spindle Motor
Spindle Motor Capacity
Spindle RPM with VFD
Spindle Nose Taper
C Axis (Optional)
Step Motor and Drive Stepper Drives imported from Singapore

X Axis Travel
Z Axis Travel
Ball Screw Class
Feed Rate mm/min
Rapid Travel
Auto Type
Number of Stations
Tool Changer Section
Toolstock Base Stroke
Hydraulic Automation
Auto Clamping
Automatic
PMS Compatibility
Dimensions 1200 mm
Power Supply Phase
